Objective

I'm a graduate in the field of Life Sciences (Microbiology, Genetics, Chemistry). I have a keen interest in Indian Heritage, Culture, Folklore, Ancient Indian Knowledge Systems, and Traditions. I have a profound fascination in the fields of Temple Architecture, Iconography, different types of cultural heritage & management, and Ancient Indian history. Writing is my medium of articulating the knowledge. It acts like a membrane between the writer and reader for the dissemination of intellect. I thoroughly enjoy reading books, and articles related to the above mentioned areas of interests. Writing is a way of documenting the various kinds of heritage which are at the risk of . These have to be preserved. I successfully completed 9 months of internship program in the Department of Publication in the " Indian.temple Research and Media Services" based in Pune, Maharashtra. I was also a former intern at "India Lost and Found (ILF)" as a "Bibliographer".
