PROFILE

Illustrator and animation design graduate with a passion for visual storytelling and contemporary art practices. Experienced in creating original content through graphic novels, animation, and design, with additional exposure to cultural projects and festival volunteering. Interested in contributing to creative and research-based work within art institutions.

EXPERIENCE

Freelance Artist & Designer | Remote (2023 – Present)

- Created illustrations, design materials, and visual content for various projects.
- Managed work independently, handling communication and deadlines.

Graphic Design Intern | Humverse, Thrissur (May – Jul 2023)

- Designed logos, t-shirt graphics, and visual identity materials.
- Edited and enhanced product imagery for print and digital use.

Volunteer | VIBGYOR International Film Festival, Thrissur (Nov 2019)

- Assisted in organizing screenings and engaging visitors.
- Helped the media team with guest interviews and posting content on social media.

PROJECTS

Neelakurunji (Graphic Novel)

- Wrote and illustrated a graphic novel highlighting Kerala's landscape and cultural themes.
- Managed the creative process from concept to final storytelling.

2D Animated Short Film

- Developed a short animated film from scripting to rendering.
- Gained experience in storytelling, timing, and visual composition.
