I'm Joseph J Joseph, a visual artist hailing from Kerala and currently studying at the Department of Visual Art, Sree Sankaracharya University of Sanskrit, Kalady. My artistic exploration revolves around perspectives, dimensions, and structures as I seek to unravel the mysteries of the unknown. Blending elements from my life and observations, my art reflects personal experiences and the world around me. I prefer to work with watercolor, acrylic, oil paint, oil pastels, dry pastels, soft pastels, charcoal, and pen, with my recent focus being on oil on canvas. I've showcased my work in exhibitions such as the Thiranottam Group Exhibition at Kerala Kalamandalam, the Roundabout Group Exhibition at Sree Sankaracharya Sanskrit University, Kalady, and the Chola Art Exhibition 2024. Through my art, I aim to evoke thought and emotion, inviting viewers to contemplate the depths of existence.
