PROFILE

I'm Brinda, a self-taught artist and a solopreneur at Brinda's Art for Heart. My style is traditional meets modern and I present traditional Indian folk & tribal art forms in a contemporary style.

Though my artwork is deeply rooted in traditional motifs, I try to bring my modern, Zen sensibilities to them that are an honest, straight-from-the-heart - representation of myself and my artistic expressions.

EDUCATION

Bachelor of Arts in Psychology

2000

From University of Mumbai

Certificate in Multimedia & Web Engineering

2001

From Arena Multimedia, Aptech, Mumbai

ONLINE STORE, TUTORIALS & WORKSHOPS

Apart from taking art commissions, I also have been successfully running an online art store via platforms like Etsy & Instamojo since 2018.

I am an online art tutor and have my art videos regularly uploaded on Skillshare.com

I also conduct art workshop for kids and adults from time to time.
